

SCRLC Digitizing Advisory Committee, 2009

Charge:

Advise the South Central Regional Library Council on the planning, implementation, management, and funding of a regional digitizing program, ***Tools of History: Online Access to Historical Materials of South Central New York.***

Activities:

- Help develop the business plan.
- Identify potential resources for digitizing.
- Help plan training activities.
- Identify and establish accepted best practices, standards, and protocols for digitizing and metadata the region.
- Participate in digitizing activities.
- Help develop the web site and marketing plan.
- Identify an appropriate name for the project.
